MADISON BEATS THE SPECIAL ROAD TAX

But Republican Majority Is Cut To Only Thirty In Congressional Race

Madison county cast about half her normal vote in Tuesday's election, and in doing so defeated the proposed 20-cent road tax by 1,351 majority, while D. H. Kincaid, republican, carried the county by only 30 majority, according to the unofficial returns phoned in to the County Clerk's office Tuesday night. Such a republican majority represents a great reduction of the normal majorities of 400 to 600 returned the past two years. The unofficial vote on the two propositions by precincts was as follows:

GILBERT'S MAJORITY SEEMS OVER 4,000

Unofficial figures in seven counties in the eighth district show Gilbert leading for congress by over 4,000 votes. The reported majorities are: Lincoln, 700; Boyle, 800; Garrard, 80; Mercer, 433; Anderson, 724; Jessamine, 491 for Gilbert; Madison about 30 for Kincaid, republican. Shelby and Spencer will easily bring Gilbert's majority over 4,000.

"Old" School Board Wins

The "old" school board "machine" worked with precision in the school race in Richmond Tuesday and all of the present members were elected by majorities averaging about 200. The entire membership of the board, their relatives, friends, school teachers and their relatives and friends worked with might and main to achieve the result obtained. The colored school was dismissed early, and the colored teachers asked to go to the polls and work among their voters.

FESS APPARENTLY WINS OVER POMERENE IN OHIO

Ralston Beats Beveridge
Indianapolis, Nov. 8.—Scratched ballots made the election count slow. For U. S. Senator Beveridge is probably defeated, but the republican state ticket is apparently elected. Two-thirds of the precincts give Ralston a lead of 17000 over Beveridge.

Lodge By Skin Of Teeth
Boston, Nov. 8.—Senator Lodge republican Senate leader, was re-elected by a plurality of 1945.

(By Associated Press) Chicago, Nov. 8.—In the face of his party defeat, Mayor Thompson today tentatively announced his candidacy for reelection next spring.

KENTUCKY INCREASES HER DEMOCRATIC VOTE

Kentucky maintained her usual congressional representation in the election Tuesday. The results by districts were substantially as follows, according to unofficial reports: Barkley and Kinchloe, democrats, won easily, as expected in the first and second districts; in the third district where the republicans were making great claims, Bob Thomas, democrat, was victor by a big majority. The fourth re-elected Ben Johnson, democrat; in Louisville the fifth district, M. H. Thatcher, republican, won over Kendrick Lewis, democrat, by 3700 majority; Arthur Rouse, democrat, won easily for re-election in the 6th and Campbell Cantrell, democrat, had no opposition in the seventh.

The old 8th district acquitted itself well in re-electing Ralph Gilbert, democrat, by a majority that may reach 5,000, perhaps the largest given in this district in many years.

Wm. Fields, democrat, won easily in the ninth, and republicans claim John Langley, has defeated Tom Hatcher, democrat, in the 10th, but indications are this race is closer than expected. In the eleventh J. M. Robison, republican, defeated Clarence Sipple, democrat, by a reduced majority. Sipple made a spectacular campaign but had no chance to win in the rock-ribbed republican gibraltar.

In the third appellate judgeship race, D. A. McCandless, democrat, has a big majority over Lillburn Phelps, republican. It may reach 5,000.

Perry county, usually over 1,000 republican gave John Langley only 26 majority over Tom Hatcher. Perry also voted red and school bonds by big majorities. Letcher county gave Langley only 27 majority, and it unusually goes much larger.

English Candidates for Parliament

Twenty-eight English women are candidates for Parliament in the coming general elections. Above are shown, left to right, Dame H. Gwynne Vaughan, Mrs. A. Barton, Miss Scott-Gatty and Mrs. Coombe Tennant. All are taking an active part in the present sensational campaign.

DEMOCRATS MAKE BIG GAINS OVER COUNTRY

Early reports from other states indicate tremendous democratic gains in the vote polled. Al Smith, democrat, has defeated Gov. N. L. Miller, republican, for governor of New York. It looks like Samuel Ralston, democrat, has won over Albert J. Beveridge, the famous republican leader, in Indiana, for the U. S. Senate.

In Missouri James A. Reed, democrat, is leading Brewster, republican, for U. S. Senator. The Ohio vote is said to be very close with Vic Donahey, democrat, leading for governor over Camm A. Thompson, and S. D. Fess, republican, leading Alice Pomerene, democrat, for U. S. Senator. Gilbert M. Hitchcock, a notable figure in the U. S. Senate, lost to his republican opponent, R. B. Howell, by 2000 majority. Tennessee, which went republican in 1920, returns to the democratic fold re-electing Senator McKellar by a big majority. In Rhode Island Peter Gerry, democrat, seems to have been re-elected U. S. Senator.

DEMOCRATS MAKE BIG GAINS ALL OVER STATE

(By Associated Press) Louisville, Ky. Nov. 8.—Large augmented majorities in democratic districts and reduced majorities in republican districts were indicated in yesterday's Kentucky congressional election. In the Third, Congressman Thomas won by about 6,000. He carried Allen county which had not been democratic since the Civil War. In the First Barkley carried every county, including Crittenden, which never before had gone democratic in a congressional race. In the Eleventh the former republican plurality of 50,000 was cut to 15,000. In the Tenth, Langley's majority of 14,000 was trimmed to 3,500. The Fifth is republican by about 3,400; in former years it was 5,000.

Garrard Goes Democratic

Lancaster, Ky. Nov. 8.—With all precincts in but one, Ralph Gilbert, Democratic candidate for congress from the eighth district, carried Garrard county by 102 majority. This precinct will probably give a 25 Republican majority, giving Gilbert a lead of about 75.

Lincoln's Fine Majority

Stanford, Ky. Nov. 8.—With three precincts missing, Representative Ralph Gilbert had a lead of 696 over D. H. Kincaid, Republican candidate, in today's election. Gilbert's lead is expected to reach 700, the largest Democratic majority ever recorded in Lincoln county. A \$10,000 street bond issue in Stanford was defeated by 14 votes.

Jessamine In Line

Nicholasville, Ky. Nov. 8.—Congressman Ralph Gilbert was given 1,471 votes in Jessamine county today, defeating his Republican opponent D. H. Kincaid, who received 980 votes. The present members of the Nicholasville school board were re-elected. They are Dan Hemphill, W. W. Roberts and C. B. Dailey. A good vote was cast in the county.

(By Associated Press) Chicago, Nov. 8.—Proponents of relaxing the prohibition laws scored heavily in at least four states yesterday. VOLSTEAD DEFEATED DRY IN MINNESOTA

(By Associated Press) St. Paul, Nov. 8.—Defeat of Congressman Andrew Volstead, author of the prohibition enforcement act, is indicated on the face of returns. Bascom Slemp, Republican, would be close to 2,500.

Lee Bond Issue Carries

Beattyville, Ky. Nov. 7.—Twelve precincts out of twenty-three in Lee county, give a majority of 1,000 for bond issue for \$200,000 to build roads. Only two votes against it in Beattyville. Light vote polled. Election quiet.

Oklahoma City, Okla. Nov. 7.—Miss Alice Robertson, of Muskogee, Republican, the only woman member of the Sixty-seventh Congress, was defeated for reelection by the man over whom she won in the Republican landslide of 1920, incomplete returns indicated late tonight. DEMOCRATIC TIDE SWELLS OVER NATION

Middle Western States May Decide Control Of Congress — Big Changes Noted

(By Associated Press) New York, Nov. 8.—Swift before the rising tide of democratic victories in many states the tremendous republican majorities piled up in the United States landslide two years ago were knocked right and left by yesterday's election.

Republican majorities in the House and Senate were also reduced but the republican leaders declared they would not be wiped out. Until he gets returns from the west and middle western tripling of the democrats were usually leading in the poll of the day. The republican victory was expected the two parties were expected each in the west, 190,000, 174 necessary 210,000.

Then it became plain that the deciding vote would go to the west and middle west.

In Indiana, where the Jersey New York and West Virginia democrats were displaced rapidly in the face of returns, the 3,000, however, Senator Davidson, democrat, was defeated.

In Ohio Senator McKinley was cutting down the republican opposition, a representative Fess.

In Massachusetts, where Lodge squeezed the republican small majority in a narrow election vote east, the republican opponent, William F. Lloyd, friends said, will be a narrow.

Not a single republican gain in the House appeared a slight count against the republican roads in almost every state.

Various causes, ranging from prohibition to the tariff, are advanced for the result.
